

## WEBINAR MAY 22<sup>ND</sup> AND 29<sup>TH</sup>, 2020 JUNE 5<sup>TH</sup>, 2020

### SIET EXPERTS' ROUND TABLE

#### MANAGEMENT OF THE AIRWAYS INJURIES IN COVID-PATIENTS: FEATURES, DIAGNOSIS, TREATMENT AND CLINICAL CASES

The purpose of the WEB Expert panel is to describe the pathogenesis of these lesions, illustrate the prevention mechanisms, provide indications about the correct diagnosis and treatment and finally comment on the current status based on clinical experience through discussion of clinical cases.

#### Organizing Secretariat

Zeroseicongressi Srl  
Via Benaco 15 - 00199 Roma  
Tel. 06.8416681 - 06.8411861 - Fax 06.85352882  
segreteria@endoscopiatoracica.it - www.zeroseicongressi.it

We thank for the contribution

# Medtronic

#### MAY, 22<sup>ND</sup> - from 5.00 p.m. to 6.00 p.m.

Presentation and moderation of the Round Table **Franca Melfi** Co-moderation: **Giacomo Cusumano**  
Diagnostic and conservative treatment of tracheal and laryngotracheal lesions, role and modality of execution of bronchoscopy in COVID-19 patient.  
(Discussion points on DPI in bronchoscopy - disposable bronchoscopy devices - role of endoprosthesis)  
**Rocco Trisolini - Alessandro Ribecchini**

#### MAY, 29<sup>TH</sup> - from 5.00 p.m. to 6.30 p.m.

Presentation and moderation of the Round Table **Franca Melfi** Co-moderation: **Mohsen Ibrahim**  
Physiopathological mechanisms of lung damage related to intubation and ventilation manoeuvres in the COVID 19 patient and prevention systems.  
(Discussion points on difficult intubation - ventilation pressures - timing of tracheostomy and modality of tracheostomy)  
**Massimiliano Sorbello - Francesco Forfori**  
Surgical treatment of acute traumatic lesions of the trachea and laryngotracheal axis.  
(Discussion points: Intraoperative management of the COVID-19 patient)  
**Alexander Patterson**  
Surgical treatment of later occurring lesions of the trachea and laryngotracheal axis.  
(Discussion points: incidence and expected prevalence in Covid-19 era of tracheal and laryngotracheal stenosis and tracheoesophageal fistulas)  
**Erino Rendina**

#### JUNE, 5<sup>TH</sup> - from 2.00 p.m. to 3.00 p.m.

Presentation and moderation of the Round Table **Franca Melfi** Co-moderation: **Filippo Lococo**  
Pneumomediastinum and pneumopericardium in COVID-19 patients, incidence-pathogenesis - conservative and surgical management.  
(Discussion points for management of emphysema disputes on surgical treatment)  
**Enrico Ruffini, Pier Luigi Filosso**  
Barotrauma and pneumothorax in the COVID-19 patients, pathogenesis incidence and treatment indication .  
(Discussion points: treatment of persistent pneumothorax - Management of pleural drainage and risks of air diffusion - need for new valve devices with filter)  
**Alan Sihoe**

#### FACULTY

<i>Prof. Franca Melfi</i>	President of The Italian Society of Thoracic Endoscopy (SIET) Prof. of Thoracic Surgery , University of Pisa - Head of Robotic Multispecialty Centre for Surgery Minimally Invasive and Robotic Thoracic Surgery University Hospital of Pisa, Italy
<i>Prof. Erino Rendina</i>	Professor and chief of Thoracic Surgery, Chairman of the Department of Medical-Surgical Science and Translational Medicine - Vice Dean, Faculty of Medicine and Psychology, Sapienza University of Rome, Italy
<i>Dr. Alessandro Ribecchini</i>	Chief of Thoracic Endoscopic Unit. University Hospital of Pisa, Italy
<i>Dr. Massimiliano Sorbello</i>	Anesthesia and Intensive Care AOU Policlinico San Marco, Catania, Italy - President elect of European Airway Management Society - past Chair of SIAARTI Airway Management Study Group Task Force
<i>Prof. Rocco Trisolini</i>	MD FCCP - Chief of Interventional Pulmonology Unit Policlinico Gemelli Rome, Italy
<i>Dr. Francesco Forfori</i>	Associate Professor ICU Dept., Pisa University Hospital, Pisa, Italy
<i>Prof. Enrico Ruffini</i>	Professor of Thoracic Surgery, University of Turin, President ESTS, Italy
<i>Prof. Pier Luigi Filosso</i>	Chirurgia toracica, Ospedale Universitario, Torino, Italy
<i>Prof. Alan Sihoe</i>	MBBChir, MA(Cantab), FRCSEd(CTh), FCSHK, FHKAM, FCCP, FACS - Gleneagles Hong Kong Hospital, Hong Kong, China
<i>Prof. Alexander Patterson</i>	Joseph C. Bancroft Professor of Surgery, Editor - The Annals of Thoracic Surgery Division of Cardiothoracic Surgery, Washington University School of Medicine, St Louis, MO, USA

#### SCIENTIFIC COMMITTEE

<i>Prof. Filippo Lococo</i>	Associate Professor, Thoracic Unit, Catholic University of the Sacred Heart, Fondazione Policlinico A. Gemelli, Rome, Italy. Counselor of The Italian Society of Thoracic Endoscopy (SIET)
<i>Dr. Giacomo Cusumano</i>	Thoracic Surgery Unit, Policlinico San Marco Hospital, Catania, Italy Counselor of The Italian Society of Thoracic Endoscopy (SIET)
<i>Prof. Mohsen Ibrahim</i>	Associate Professor Thoracic Surgery, Department of Medical-Surgical Science and Translational Medicine, Sapienza University of Rome
<i>Dr. Federico Davini</i>	University Hospital of Pisa - Robotic Multispecialty Centre for Surgery - Minimally Invasive and Robotic Thoracic Surgery, University Hospital of Pisa. Counselor of The Italian Society of Thoracic Endoscopy (SIET)
<i>Dr. Carmelina Cristina Zirafa</i>	University of Pisa - Robotic Multispecialty Centre for Surgery Minimally Invasive and Robotic Thoracic Surgery, University Hospital of Pisa
<i>Dr. Gaetano Romano</i>	Research Assistant and PhD Candidate University of Pisa - Robotic Multispecialty Centre for Surgery Minimally Invasive and Robotic Thoracic Surgery, University Hospital of Pisa
